HAPPY GRANDPARENTS DAY

As grandparents share wisdom, perspectives, and key civic values with us, let us take this day to appreciate and celebrate our original mentors.

One of life's greatest mysteries is how a boy who wasn't good enough to marry your daughter is the father of the smartest grandchild in the world.

Grandmother is a little bit parent, a little bit teacher, and a little bit best friend.

Grandparents are a delightful blend of laughter, caring deeds, wonderful stories and love.

Life is full of miracles, but they're not always the ones we pray for.

Grandparents are our role models, our biggest fans, and some of our oldest friends.

Parsonage Indoor Clean-up Day Needed!!

The church office has a list of things that need to be cleaned inside the parsonage. If you can get a group of people together, it wouldn't take long to get the list done. Please let the church office know when you are going, so you can get the list and the parsonage can be unlocked for you.

Parsonage Yard Clean-Up Day

The Custodial Committee will be having a parsonage yard clean-up day on Saturday, Sept. 24, starting at 9:00 am. Chainsaws, weed-eater's and willing hands will be needed. Plan is to make the grounds as presentable as possible. Rusty will be bringing a truck, trailer and small tractor and loader.

Thank You

On behalf of the family of Gary Cooper, we would like to thank FBC for all the prayers and cards. The ladies of our church fed us wonderful food! We greatly appreciated each kind word and gesture. Thank you.

Love, Greg & Carrie Cooper
